WELCOME TO ERIE, PENNSYLVANIA

Erie, PA is the fifth largest city and the only Pennsylvania Port on the Great Lakes. Located along the shores of one of the world's best-protected harbors, Erie has an extensive maritime history as a Great Lakes City. Central to Pittsburgh, Cleveland, Buffalo and Southern Ontario, Erie is within 500 miles of more than half of the U.S. population and is accessible by automobile, boat, plane, train, or bus. A truly diverse city, Erie boasts a wealth of natural beauty, fascinating history, active cultural and arts scenes, diverse ethnic heritage and first-rate sports teams. Erie offers the cultural and entertainment options you'd expect from a big city, plus the friendliness and leisurely pace of a smaller town.

ERIE WELCOMES EVERYONE!

Erie prides itself on being a warm, hospitable community for all races, religions, ethnicities, sexual orientation, nationalities, interests, backgrounds and experiences.

TOURS ON THE 'HELLO ERIE' APP:

You can download the FREE 'Hello Erie' trip planner app from iTunes or Google Play. Once downloaded, open up the app and click on Tours. You can also download the app by using this QR code.

African American Heritage Trail Tour (with audio!)

Access this self-guided audio-narrated tour through VisitErie's 'Hello Erie' trip planner app and features historic points of interest, public art, and businesses that pay tribute to Erie's African American heritage, including the church where internationally celebrated soloist and composer Harry T. Burleigh sang in the choir. Burleigh's achievements include adapting African American spirituals into his own compositions. Another stop, New Jerusalem, is one of Erie's oldest neighborhoods. Here African American families provided much-needed refuge for men and women fleeing enslavement through the Underground Railroad. The tour also includes several murals paying tribute to Erie's African American heritage.

Murals of Erie County Self-Guided Tour

Take a self-guided tour of Erie's Mural Arts! Explore over 80 murals located throughout Erie County. Explore by yourself or with family and friends. Make it an adventure in the pursuit of great art! Be inspired by the creativity of our local muralists and residents. Most of the murals are located outside, however, there are a few located inside buildings (specifics can be found in the mural descriptions). The majority of murals are not artificially lit, therefore we recommend viewing them during daylight hours.

Erie Lighthouses

Visit the Presque Isle Lighthouse and Erie Land Lighthouse to take in breathtaking views from the top of each tower while learning about Erie's rich maritime history. The Erie Land Lighthouse opened to the public for the first time in the historic site's history on May 22, 2021. The Land Lighthouse is located at the foot of Lighthouse Street on the east side of Erie. The Presque Isle Lighthouse at Presque Isle State Park near beach 9 is open for tours Memorial Day to Labor Day. Experience panoramic views of Lake Erie, Presque Isle, and the North Pier Lighthouse, and learn about their history and function. To view another Erie light, just walk out along the north pier at Presque Isle (just past the entrance to the Coast Guard Station) and view the North Pier Light.

Presque Isle Lighthouse

Pennsylvania Historical Markers of Erie County Tour

Did you know Erie County is home to over 50 historical markers? Each marker is dedicated to either a person, place or event that has had a historical significance to our community on a state, regional and even national level. Travel throughout the City of Erie and surrounding towns of Union City, Corry, Edinboro, Girard, Waterford and others to discover such markers honoring the Erie Extension Canal, Fort LeBoeuf, Harry Kellar, Perry's Shipyards and Miracles on Maple Hill. Also included in the list are missing markers and their significance along with GPS coordinates for every stop on this list. All historical marker information was compiled/contributed by Bethany DeMuth, Erie Times News.

Downtown Erie Sculpture Walk

Erie Arts & Culture assisted the Erie Downtown Development Corporation to create the first-ever Downtown Erie Sculpture Walk, a year-round outdoor exhibition of art. The Downtown Erie Sculpture Walk features 15 sculptures in Downtown Erie and the Bayfront, representing the work of 13 different artists from throughout the United States. The inaugural set of sculptures are on display through August 2023. As you participate in the Downtown Erie Sculpture Walk, Erie Arts & Culture encourages you to think critically about public art. The questions encourage you to reflect on will assist you in moving beyond immediate responses such as "I like/don't like it" and "I don't get it." For more information go to <https://www.erieartsandculture.org/assets/critical-thinking-questions.pdf>

AWESOME FACTS

Get ready! Tall Ships Erie Festival sails to our shores August 25-28 2022 with Erie's own U.S. Brig Niagara leading the way! Home-ported in Erie at the Erie Maritime Museum, the Brig is a faithful reconstruction of Oliver Hazard Perry's relief flagship during the Battle of Lake Erie.

OUR FAMILY'S BEEN MAKING WINE IN LAKE ERIE WINE COUNTRY SINCE THIS IS HOW PHOTOS WERE SHARED

FOR FIFTY YEARS, the Mazza family has welcomed visitors to Lake Erie Wine Country with warm hospitality and a glass (or more) of our now world-renowned wine. For those seeking traditional European varietals like Cabernet Franc and Merlot, our flagship location, **Mazza Vineyards** is a must on your wine tasting itinerary. Just two miles down the road lies **South Shore Wine Company** paying homage to our region's

rich history of sparkling wine production. For the adventurous wine lover, take a short drive over state lines to **Mazza Chautauqua Cellars** to enjoy a collection of terroir-inspired wines and a trio of easy-sipping sweet wines. Sharing this location is **Five & 20 Spirits and Brewing**, our family's venture into the craft beer and spirits world, because even we get thirsty for something other than wine every once in a while.
