

# Suggested Itinerary: Student Groups

Educational student tours and field trips are available year-round and can be arranged through the individual attraction. From Erie's rich maritime history to diverse heritage and thriving agriculture, the learning possibilities are endless.

## DAY ONE

### Visit: Erie Maritime Museum

Test your skills at tying knots, loading a cannon, raising and lowering the mid mizzen mast, and watch sailing demonstrations aboard the tall ships U.S. Brig Niagara and the Lettie G. Howard.

### Eat: U Pick 6 Tap House

Specializing in wood-fired delights such as pizzas, flatbreads and stromboli, Tap House can easily accommodate larger groups.

### Visit: Hagen History Center

Tour "The Story of Us" exhibit that tell the story of Erie's immigrant families and their impact on Erie's industrial growth.

*Lodging Option: Country Inn & Suites*

## DAY TWO

### Visit: Port Farms

Learn about this family-owned working farm through an educational program based on Pennsylvania academic standards including mathematics, language arts and science.

### Eat: Quaker Steak & Lube

Known for their wide assortment of wing flavors, the restaurant also features burgers, sandwiches, fried appetizers, and duck pin bowling.

### Visit: Asbury Woods

Explore 205 acres of trails, forests, wetlands, Walnut Creek, Brown's Farm Barn, and the Andrew J. Conner Nature Center. Nature-based programs are available on watersheds, beekeeping, and more.
